

**2016-17**  
**Negotiated Part-time Graduate Engineering**  
**Tuition Rates**

The University of Delaware's standard graduate tuition rate for 2016-17 is \$1720/credit. However, the following information is set for 2016-17 (for those taking graduate engineering courses):

- Military: \$867 per credit
- DelDOT: \$867 per credit
- Boeing: 10% reduction per credit for one or two graduate engineering course registrations in a given term; 12.5% reduction per credit for three or more graduate engineering course registrations in a given term. (Note that the tuition scholarship will be applied to the students' accounts *after the tenth day of classes/the end of free drop-add.*)
- *Graduate Certificate Programs in Composite Materials, Railroad Engineering, Cybersecurity, and Renewable Energy Engineering & Policy*: These special programs have a reduced net tuition rate of \$1,395/credit (for those who are not eligible for military or DelDOT tuition rates)

NOTE: If you have an employer-sponsored tuition benefit, you may be able to delay your tuition due date until 30 days *after grades are posted for the semester*. Just follow the instructions for "Third Party Sponsor":
