List of Authorized Users  

University Sponsor's Signature:  Date:  

Return to Network & Systems Services, Attn: Dave Dyar  

As Sponsor, I agree to permit only authorized users to use this service. I am familiar with the Policy for Responsible Computing and have informed the authorized users about it. At fiscal year end, I assume responsibility for reviewing users authorized for this service and to remove access for individuals for whom it is no longer appropriate. Any authorized user leaving the sponsored department who should no longer have access will be removed.
